TUNED SUSPENSION

ALTEIRA[®] 600 TRV

EXPLORE MORE TOGETHER.

If you want an ATV that offers more power, comfort, and space for two riders, the Alterra 600 TRV is your perfect match. With a powerful 600 class engine, 25- or 26-inch tires, and electronic power steering, you're equipped with everything you need for the adventure of a lifetime. Now with our 2-up seat, this chassis offers a lower center of gravity for more control and a longer wheelbase for extra comfort. You'll see that the only thing better than riding an Arctic Cat is bringing someone along for the ride.

YOUR RIDE. YOUR WAY.

Build your next off-road vehicle with accessories that suit your style. Visit [Arcticcat.com/shopping-tools/build-and-price](https://www.arcticcat.com/shopping-tools/build-and-price)

Vehicles as photographed may include options not included on base model. **WARNING:** Arctic Cat ATVs can be hazardous to operate. For your safety, never ride on paved surfaces or public roads, and avoid excessive speeds. Never carry more passengers than the vehicle is designed for. All riders should always wear a helmet, eye protection, and protective clothing. Never engage in stunt driving, and avoid sharp turns. Riding and alcohol/drugs don't mix. Arctic Cat recommends that all operators take a safety training course. For safety and training information, please see your dealer or call 1-800-887-2887. ©2022 Textron Specialized Vehicles Inc. 82766-61 (Rev. 07/2022)
